

Unit 3 RAP

The Treaty of Paris ended the war
And in 1783, America was born.
The Articles of Confederation were not so great,
So the delegates started with a brand new slate.

We needed new laws and strong leadership
In 1787, our Founding Fathers made the trip
After Great debate from behind closed doors,
The Constitution became our government's core.

Anti-federalists added the Bill of Rights
Amendments 1-10 are full of might
People rule through democracy,
And protect American liberty.
