

## Unit 6 RAP

Along came Lincoln, a tall & slender man,  
He became the 16<sup>th</sup>  
President of our great land.

One month after he was elected,  
South Carolina left and the Union  
dissected.

The Civil War ended in 1865,  
An astronomical 620,000  
gave their lives.

What we gained from this catastrophe  
Were 3 amendments and  
the end of slavery.
