RED TEAM

13 Colonies QUOTES

Directions: Read the quotes below and determine which colonial region referred to in each. Place the LETTER of the quote in the appropriate region on your 13 Colonies Map.

Quote A: "I awoke to the wind rustling through the rye crops. As I stumbled from my bed, I found my father in prayer as my mother headed to milk the cow. The crisp autumn air was a definite sign that the harvest was near"

Quote B: "Lightening continued in steams or streaks from the cloud to the ground all around us about five minutes before the hurricane ripped apart my plantation."

Quote C: "We the merchants of ships and subscribers, sent and employed by merchants in Scotland, to build ships here for their use."

Mission 5

The New Republic

After the Constitution was ratified the difficult work of sorting out the domestic and foreign issues of the United States began. The first five Presidents of the United States set out to accomplish this difficult task. Directions: In each box fill out the Presidents' description of the events and place them in the correct thought bubble (foreign or domestic). On the Presidents' shirt create a picture or symbol that encompasses an important aspect of their Presidency. Available Resource: Event cards, notes, textbook

The founding of the first two political parties

George Washington

Foreign

Domestic

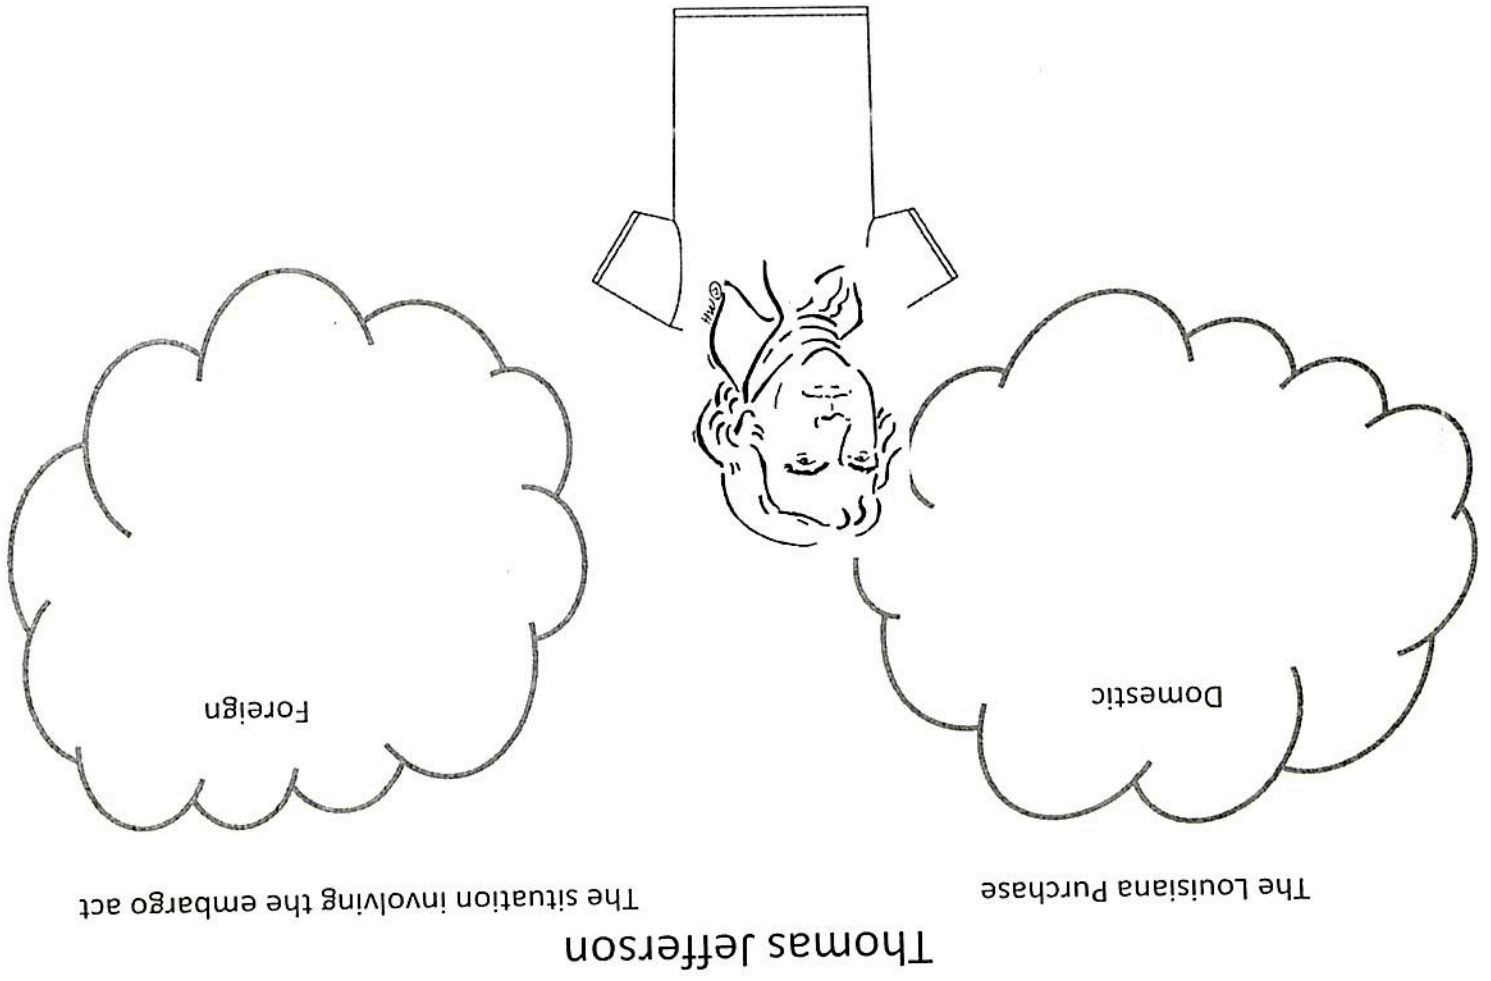

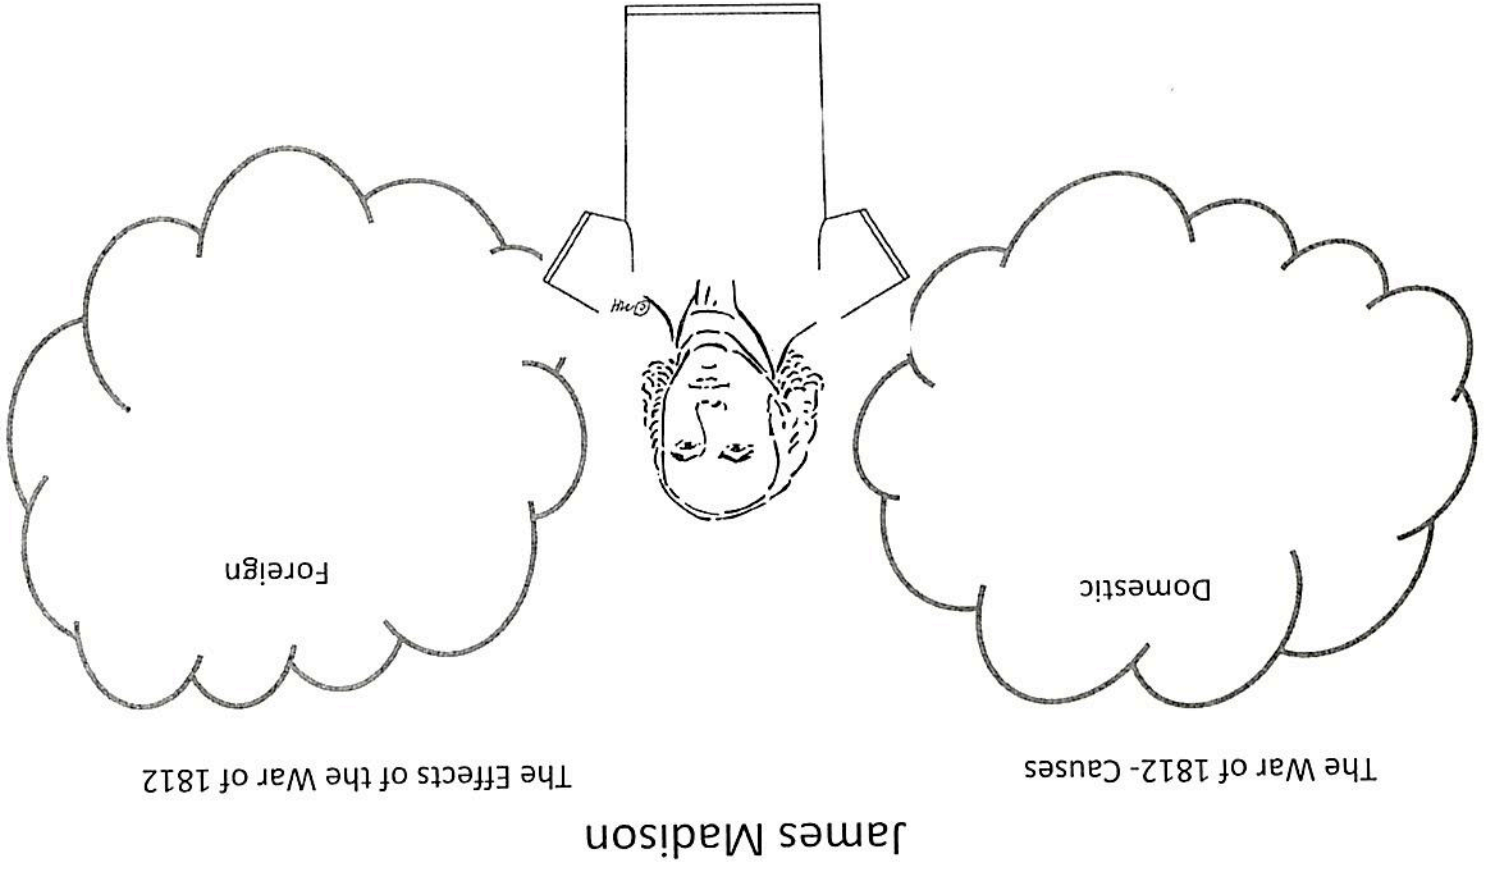

The X,Y,Z affair
